OFFICE COMMUNICATION

Mail Stop AF
 Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Dear Sir:

Applicants would like to thank the Examiner Thompson for the telephonic conference conducted on July 20, 2005 regarding this application.

Applicants request that the Office Action of April 22, 2005 be withdrawn because the Examiner has not examined all of the claims. In response to the Advisory Action mailed August 20, 2004, Applicants faxed a Response to Advisory Action on August 30, 2004 with a certificate of fax and a transmittal sheet stating 11 total pages in the transmission. Fax receipts from that day show that all 11 pages were sent. According to the Image File Wrapper on the PAIR system, only 5 pages were processed by the USPTO on August 30, 2004. These 5 pages include the opening remarks which refer to pages 8 and 9 as well as claims 1-13 out of 24 total claims (A formatting error caused Claim 3 to be embedded in Claim 2.) Although the partial response was entered, the USPTO did not have all of the pages of the response. Therefore, only Claims 1-13 were entered out of the total 25 claims. The remarks, arguments and signature of Applicants' attorney were never entered.

Applicants submit herein a copy of the response fax as sent (with the error in Claim 2) on August 30, 2004, the transmittal sheet with the Certificate of Fax Transmission stating 11 total

Appl. No. : 09/995,816
Filed : November 27, 2001

pages, a fax receipt confirming that all 11 pages were sent, and a clean copy of the response with the formatting error in Claim 2 corrected.

Applicants request that the Examiner reexamine Claims 1-25 in the response as well as consider the remarks and arguments made by Applicants in the original response. As the Applicants' did not cause the error resulting in delay, Applicants submit that no patent term adjustment should be applied to the application.

If the Examiner has any further questions, she is respectfully invited to call the undersigned.

Please charge any additional fees, including any fees or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
